Career Services invites all sophomores to discover and optimize your strengths using the StrengthsFinder Assessment.

This program will teach you how to confidently articulate your strengths using language that will ensure you will make a positive impression on others.

Several, small group sessions will be offered at Career Services. After you sign up, you will be emailed a code to take the assessment before the workshop.

“The best part of StrengthsQuest/StrengthsFinder is that it gives you a vocabulary to market yourself as well as refine your concept of your own skill set—and that’s incredible!”
- Gavin Cook ’15

“After taking the StrengthsQuest/StrengthsFinder, I now know which areas I can work on to develop and grow stronger, and to make my strengths stand out even more—whether it be on a resume, in the classroom, or even with my friends on a daily basis!”
- Stephen Cognetta ’15
