Career Transitions for Graduate Students

Wednesday, February 26, 3 to 5 p.m., Career Services

Have you considered investigating your career options outside of academia? This seminar will introduce you to the process of searching for opportunities outside of academia. Main topics will include: 1) assessing your skills, values, and interests, 2) resources for exploring your options, 3) networking and informational interviewing, 4) the application process and creation of a resume. Space is limited to 20, kindly RSVP at http://bit.ly/1cvBNV7.
